The client and Web Repair Services (WRS) enter into an agreement whereby WRS will make adjustments as WRS feel necessary, to enable search engine spider/robots to read page /pages for improved Search Engine indexing. WRS will submit/ resubmit the clients' website to Search Engines and Directories as deemed necessary by WRS.

WRS will report the position of the clients' site for the chosen keyword /Key phrase for a period of 12 months. The Customer acknowledges that Search Engines may, at any time, change their ranking algorithm, exclude sites from their listings, or change their policies, and that there is considerable competition for certain keywords /Key phrase, therefore WRS will do everything in its power within reason to ensure high rankings during the 12 month period.

The client agrees to pay the initial fee described below immediately upon entering into this agreement. The client will also set up 12 monthly payments on the same day each month to complete the monthly fee for the stated time as indicted above. The monthly fee represents payment in arrears.
